Following the resignation of Imelda Smolčić of Uruguay, the Latin American and Caribbean States nominated Marcelo Eliseo Scappini Ricciardi (Paraguay), another member of the Committee, to replace her as Chair. At the opening meeting of the substantive session (538th meeting), on 8 September 2015, the Committee elected the following officers to serve in 2015:

Chair:

Hiroshi **Onuma** (Japan)
Cheikh Tidiane **Deme** (Senegal)

Rapporteur:

Yotam **Goren** (Israel)

3. Also at its organizational session, the Committee agreed in principle that the Chair would undertake informal consultations with a view to determining the composition of its Bureau for 2016 and that the outgoing Chair and members of the Bureau would continue in their capacity until the 2016 Bureau was elected.

C. Organization of work

4. At its organizational session, the Committee also agreed to follow the guidelines adopted in 1994 and 1995 with regard to its consideration of intersessional departures from the approved calendar of conferences and meetings and to meet, as required, to review proposals affecting the schedule of conferences and meetings during sessions of the General Assembly.

5. Also at its organizational session, the Chair proposed that the Committee meet in order to review the provisional calendar of conferences and meetings in the economic, social and related fields for 2016 and 2017.

6. At the same session, the Assistant Secretary-General for General Assembly and Conference Management addressed the Committee.

7. At the 537th meeting, on 29 June 2015, the Secretary of the Committee introduced the provisional calendar of conferences and meetings in the economic, social and related fields for 2016 and 2017 (E/2015/L.8). The Committee reviewed the provisional calendar and recommended its adoption to the Economic and Social Council. The recommendation of the Committee was transmitted in a letter dated 1 July 2015 from the Chair of the Committee to the President of the Council (E/2015/85).

8. The Committee held its substantive session from 8 to 14 September 2015 (538th to 540th meetings). At the opening of the substantive session, the Under-Secretary-General introduced the report of the Secretary-General on the pattern of conferences (A/70/122). During the formal meetings, statements were made by the representatives of France, Israel, Japan, Paraguay, the Russian Federation, Senegal and the United Republic of Tanzania.

D. Programme of work

9. At its organizational session for 2014 (529th meeting), held on 23 April 2014, the Committee requested that the Secretariat submit the provisional agenda for 2015 to the Committee at its organizational session for 2015. At its organizational session for 2015 (536th meeting), held on 22 April 2015, the Committee adopted the provisional agenda (A/AC.172/2015/L.1) and requested that the Secretariat submit a provisional agenda for 2016 to the Committee at its organizational session for 2016. The Committee also decided to include in its programme of work for the year, prior to the Committee's substantive session or upon request, informal briefings by the Secretariat on issues relating to conference management of interest to Member States.

E. Participation of observers

10. Three Member States, one non-member observer State and one intergovernmental organization were represented as observers at the organizational, resumed organizational and substantive sessions of the Committee: Cuba, Germany, Indonesia, the Holy See and the European Union.

Chapter II
Calendar of conferences and meetings

A. Requests for exceptions to section I, paragraph 7, of General Assembly resolution 40/243

11. At its 538th meeting, on 8 September 2015, the Committee on Conferences considered the sections of the report of the Secretary-General on the pattern of conferences (see A/70/122, sect. I.A, and supplementary information,[1] sect. I) containing requests for exceptions to section I, paragraph 7, of General Assembly resolution 40/243, by which the Assembly decided that no subsidiary organ of the Assembly might meet at United Nations Headquarters during a regular session of the Assembly unless explicitly authorized by the Assembly.

Conclusions and recommendations

12. **The Committee on Conferences recommended that the General Assembly explicitly authorize the following bodies to meet in New York during the main part of its seventieth session, on the understanding that all such meetings would be allocated conference services on an "as available" basis, in such a way that the work of the Assembly and its Main Committees would not be impeded:**

(a) **Committee on the Exercise of the Inalienable Rights of the Palestinian People;**

(b) **United Nations Disarmament Commission;**

(c) **Working Group on the Financing of the United Nations Relief and Works Agency for Palestine Refugees in the Near East;**

(d) **Committee on Relations with the Host Country;**

(e) **Executive Board of the United Nations Entity for Gender Equality and the Empowerment of Women;**

(f) **United Nations System Chief Executives Board for Coordination.**

Chapter III
Meetings management

A. Utilization of conference-servicing resources and facilities

1. Meeting statistics of United Nations organs and consultations with/letters to bodies concerning utilization of conference-servicing resources

16. At its 538th meeting, on 8 September 2015, the Committee on Conferences considered the section of the report of the Secretary-General on the pattern of conferences containing statistical data and analysis of the utilization of conference resources allocated to a core sample of bodies that met in New York, Geneva, Vienna and Nairobi (see A/70/122, paras. 5-14, and supplementary information,[1] sect. II).

17. The Committee also heard a report by the Chair on the consultations held with the intergovernmental bodies whose utilization rate had fallen below the 80 per cent benchmark over the past three years, namely, the Committee on Information, the Special Committee on Peacekeeping Operations and its Working Group, the Special Committee on the Charter of the United Nations and on the Strengthening of the Role of the Organization, and the Executive Board of the United Nations Children's Fund, and the letter sent to the President of the United Nations Commission on International Trade Law (UNCITRAL), outlining possible measures for improving utilization rates. As a result of those efforts, the Committee on Information and the President of the Executive Board of the United Nations Children's Fund agreed to make greater efforts to improve their utilization rates, and notable improvements were recorded between 2013 and 2014 in the utilization rates of UNCITRAL, the Special Committee on Peacekeeping Operations and the Special Committee on the Charter of the United Nations and on the Strengthening of the Role of the Organization.

18. In response to questions from delegations, a representative of the Department for General Assembly and Conference Management said that the Secretariat presently had no mechanism to record in the utilization statistics the breaks taken during meetings.

2. Provision of interpretation services to meetings of bodies entitled to meet "as required"

19. At the same meeting, the Committee considered the section of the report of the Secretary-General on the pattern of conferences concerning the provision of interpretation services to meetings of bodies entitled to meet "as required" (see A/70/122, para. 15, and supplementary information,[1] sect. III).

3. Provision of interpretation services to meetings of regional and other major groupings of Member States

20. Also at the same meeting, the Committee considered the section of the report of the Secretary-General on the pattern of conferences concerning the provision of interpretation services to meetings of regional and other major groups of Member States (see A/70/122, para. 16, and supplementary information,[1] sect. IV).

4. Utilization of conference facilities at the United Nations Office at Nairobi

21. Also at its 538th meeting, the Committee considered the section of the report of the Secretary-General on the pattern of conferences concerning the utilization of conference facilities at the United Nations Office at Nairobi (see A/70/122, para. 17).

5. Utilization of the conference centre of the Economic Commission for Africa

22. At the same meeting, the Committee considered the section of the report of the Secretary-General on the pattern of conferences concerning the utilization of the conference centre of the Economic Commission for Africa (see A/70/122, paras. 18 and 19).

B. Impact of the implementation of the capital master plan, strategy IV (phased approach), on meetings held at Headquarters during its implementation

23. Also at the same meeting, the Committee considered the section of the report of the Secretary-General on the pattern of conferences concerning the impact of the implementation of the capital master plan on meetings held at Headquarters (see A/70/122, para. 20, and supplementary information,[1] sect. V).

24. One delegation drew attention to the need to improve the videoconferencing infrastructure at the four duty stations and at the regional commissions, in line with General Assembly resolution 69/250. In response to questions from delegations, a representative of the Department for General Assembly and Conference Management said that videoconferencing equipment had been installed in the main conference rooms at Headquarters and sign language interpretation and documents in Braille were provided on request at meetings held in New York and Geneva.

Chapter IV
Integrated global management

25. At its 538th meeting, on 8 September 2015, the Committee considered the section of the report of the Secretary-General on the pattern of conferences concerning integrated global management (see A/70/122, paras. 22-36, and supplementary information,[1] sect. VI).

26. The meetings management system, gMeets, was operational at the four main duty stations. The documents planning and processing system, gDoc, had been launched in Geneva and New York in May 2014. The computer-assisted translation and terminology management system, gText, and the data warehouse, gData, had been rolled out at the four main duty stations.

27. Draft revisions of the bulletins of the Secretary-General on the organization of the Department and the United Nations Offices at Geneva, Nairobi and Vienna had been submitted to the Department of Management for review and consultation. The bulletins would be completed by the end of 2015.

Chapter V

Matters related to documentation and publications

28. At its 538th meeting, on 8 September 2015, the Committee on Conferences considered chapter IV of the report of the Secretary-General on the pattern of conferences concerning matters related to documentation and publications (see A/70/122, paras. 37-51, and supplementary information,[1] sect. VIII).

29. In response to questions from delegations, a representative of the Department for General Assembly and Conference Management explained that the two document assistance centres at Headquarters provided print-on-demand, print-ordering and scanning services, as well as advice on accessing documents electronically. Owing to resource limitations, laptop computers were loaned only when available.

30. Delegations were concerned that the detailed time frame for completing the digitization of important older United Nations documents had not been prepared as requested in General Assembly resolution 69/250. Representatives from the Department for General Assembly and Conference Management and the Department of Public Information explained the complexities of the digitization process and the need for further analysis.

31. In response to questions from delegations, a representative of the Department for General Assembly and Conference Management said that the Coordinator for Multilingualism would, in the coming months, consult Member States to draw up a strategy for promoting multilingualism and achieving language parity. The transition to a new electronic document management system and the issue of interfacing of different applications had unexpectedly caused some non-simultaneous release of parliamentary documents. The methodology of data extraction needed to be adjusted to properly reflect corrigenda and reissuances.

Chapter VI
Matters related to translation and interpretation

32. At its 539th meeting, on 8 September 2015, the Committee considered the section of the report of the Secretary-General on the pattern of conferences concerning matters related to translation and interpretation (see A/70/122, paras. 52-63).

33. Delegations sought information regarding the replacement of retirees in the context of succession planning and the maintenance of full capacity in the language services. A representative of the Department for General Assembly and Conference Management said that outreach and recruitment efforts had been significantly improved through, inter alia, cooperation with universities in the memorandum of understanding network and greater use of social media. New translators and interpreters were trained internally to ensure that their work was of the required standard.

34. The proposed outposting to Vienna from New York of a small number of French translators would help address the capacity issues of the Translation Service and at the same time promote increased mobility and facilitate the overnight processing of documents. The possibility of extending the initiative to other duty stations would be considered on completion of the initial two-year pilot period.

35. The global terminology portal had been developed with input from all four duty stations and integrated in the gText system.

36. Interpreters servicing a meeting held away from their duty station were subject to the administrative instruction on official travel (ST/AI/2013/3). Concerns were raised that the performance of interpreters could be adversely affected if they arrived only four hours before a meeting.

17. *Notes* that for meetings held in New York of bodies entitled to meet "as required", 97 per cent of requests for interpretation were met in 2014, compared with 98 per cent in 2013 and 97 per cent in 2012, and requests the Secretary-General to continue to impress upon such bodies the need to continue to improve the utilization of the conference services provided and to report on the provision of conference services to those bodies through the Committee on Conferences;

20. *Notes* that the percentage of meetings held by regional and other major groupings of Member States that were provided with interpretation services at the four main duty stations was 85 per cent in 2014, as compared with 93 per cent in 2013 and 91 per cent in 2012, and requests the Secretary-General to continue to employ innovative means to address the difficulties experienced by Member States owing to the lack of conference services for some meetings of regional and other major groupings of Member States and to report thereon to the General Assembly through the Committee on Conferences;

21. *Once again urges* intergovernmental bodies to spare no effort at the planning stage to take into account the meetings of regional and other major groupings of Member States, to make provision for such meetings in their programmes of work and to notify conference services, well in advance, of any cancellations so that unutilized conference-servicing resources may, to the extent possible, be reassigned to meetings of regional and other major groupings of Member States;

22. *Welcomes* the efforts of all users of conference services to inform the Secretariat as early as possible of any cancellation of service requests so as to allow for such services to be smoothly redeployed to other meetings;

23. *Notes with satisfaction* that, in accordance with several resolutions of the General Assembly, including resolution 69/250, paragraph 28, in conformity with the headquarters rule, all meetings of Nairobi-based United Nations bodies were held in Nairobi in 2014, and requests the Secretary-General to report thereon to the Assembly at its seventy-first session through the Committee on Conferences;

24. *Notes* the ongoing efforts aimed at improving the conference facilities at the Economic Commission for Africa, and in this regard encourages the Secretary-General to ensure that the improvement of the facilities, in particular Africa Hall, is completed in a timely manner;

28. *Requests* the Secretary-General to continue his efforts aimed at improving conference servicing at the four main duty stations, including through addressing or eliminating possible duplication, overlap and redundancy, and identifying innovative ideas, potential synergies and other cost-saving measures, without compromising quality or affecting the provision of services, and to report annually on the progress made in this regard;

29. *Reiterates its request* to the Committee on Conferences that it consult those bodies that have consistently utilized less than the applicable benchmark of their allocated resources for the past three years, with a view to making appropriate recommendations in order to achieve the optimum utilization of conference-servicing resources, and urges the secretariats and bureaux of bodies that underutilize their conference-servicing resources to work more closely with the Department for General Assembly and Conference Management of the Secretariat and to consider changes to their programmes of work, as appropriate, including adjustments based on previous patterns of recurring agenda items, with a view to making improvements in their utilization factors;

30. *Requests* the Chair of the Committee on Conferences to continue the practice of addressing a letter to the presiding officers of intergovernmental bodies based at duty stations other than New York if their utilization factor falls below the benchmark of 80 per cent;

31. *Notes* the successful completion of the capital master plan and that meeting room capacity has been fully restored, with the addition of three new rooms;

32. *Re-emphasizes* the need to continue to improve all conference facilities, including the videoconferencing infrastructure, in all four main duty stations and in the regional commissions, and in this regard requests the Secretary-General to report thereon no later than at the seventy-first session of the General Assembly;

34. *Welcomes* the measures taken to ensure access to and use of conference services and conference facilities for persons with disabilities, including the establishment of the Accessibility Centre, and encourages the Secretary-General to continue further efforts in this regard and to report thereon to the General Assembly at its seventy-first session;

35. *Requests* the Secretary-General to continue to address issues related to the accessibility of conference facilities as a matter of priority and to report thereon to the General Assembly at its seventy-first session;

III
Integrated global management

36. *Notes with appreciation* the efforts of the Secretary-General in the context of the integrated global management initiative to establish and implement in the four main duty stations common performance indicators and single information technology systems (such as gData, gDoc, gMeets and gText), and requests the Secretary-General to report thereon to the General Assembly at its seventy-first session;

37. *Recalls* paragraph 24 of the report of the Secretary-General, and requests the Secretary-General to complete internal reviews concerning accountability mechanisms and the clear delineation of responsibility between the Under-Secretary-General for General Assembly and Conference Management and the Directors-General of the United Nations Offices at Geneva, Vienna and Nairobi for conference management policies, operations and resource utilization, requests the Secretary-General to report thereon to the General Assembly at its seventy-first session, and in this regard recalls section III, paragraph 15, of its resolution 66/233 of 24 December 2011, section III, paragraph 2, of its resolution 67/237 of 24 December 2012, paragraph 38 of its resolution 68/251 of 27 December 2013 and paragraph 48 of its resolution 69/250;

38. *Notes* the initiatives undertaken in the context of integrated global management aimed at streamlining procedures, achieving economies of scale and improving the quality of conference services, and in this regard stresses the importance of ensuring the equal treatment of conference-servicing staff, as well as the principle of equal grade for equal work at the four main duty stations;

39. *Also notes* that the effects of workload-sharing in the context of global document management remain minimal, and requests the Secretary-General to continue to seek ways to promote workload-sharing among the four main duty stations and to report thereon to the General Assembly at its seventy-first session;

40. *Emphasizes* that the major goals of the Department are to provide high-quality documents in a timely manner in all official languages, in accordance with established regulations, as well as high-quality conference services to Member States at all duty stations, and to achieve those aims as efficiently and cost-effectively as possible, in accordance with the relevant resolutions of the General Assembly;

41. *Notes* that the pool of language professionals at duty stations is uneven in terms of language combinations, and requests the Secretary-General to continue his efforts to develop recruitment, subcontracting and outreach policies that take full account of these imbalances and to report thereon to the General Assembly at its seventy-first session;

42. *Requests* the Secretary-General to ensure that all language services are given equal treatment and are provided with equally favourable working conditions and resources, with a view to achieving the maximum quality of services, with full respect for the specificities of the six official languages and taking into account their respective workloads;

43. *Reiterates* the need for the Secretary-General to ensure the compatibility of technologies used in all duty stations and to ensure that they are user-friendly in all official languages;

44. *Takes note* of the progress made in the development and implementation of the conference management software gData, gDoc, gMeets and gText, and requests the Secretary-General to include all relevant information on their operation, maintenance and harmonization with existing systems, as appropriate, in the proposed programme budget for the biennium 2016-2017;

45. *Notes* the development of an experimental statistical machine translation system (Tapta4UN) to accelerate translation services for some categories of documents, and requests the Secretary-General to report on updates, including cost-benefit analysis and quality preservation and control, about this system to the General Assembly at its seventy-first session, through the Committee on Conferences;

46. *Reiterates* that the satisfaction of Member States is a key performance indicator in conference management and conference services;

[f] Pursuant to paragraph 4 of General Assembly resolution 56/242, and as decided by the Assembly previously, United Nations intergovernmental bodies are requested to avoid holding meetings on Orthodox Good Friday, which in 2016 falls on 29 April.

[j] For plenary meetings only.

If an annual session is held outside the "low activity" periods in New York, interpretation services can be provided only on an "as available" basis.

[a] The languages in which interpretation will be provided are indicated. Languages in which translation and meeting records will be provided vary according to the rules of procedure applicable to the body concerned and, in the case of some working groups and similar bodies, according to the actual requirements when these are less than would be provided under the rules of procedure.

[b] Conference services are funded from outside the regular budget of the United Nations.

[c] Treaty body.

[d] In accordance with paragraph 30 of General Assembly resolution 68/268, a maximum of three official working languages for interpretation will be allocated for the work of the human rights treaty bodies, with the inclusion, on an exceptional basis, of a fourth official language, when necessary to facilitate communication among the members, as determined by the committee concerned, taking into account that these measures will not constitute a precedent, given the special nature of the treaty bodies, and without prejudice to the right of each State party to interact with the treaty bodies in any of the six official languages of the United Nations.

[e] Pursuant to paragraph 4 of General Assembly resolution 56/242, and as decided by the Assembly previously, United Nations intergovernmental bodies are requested to avoid holding meetings on Orthodox Good Friday, which in 2017 falls on 14 April.

[f] Meetings from 13 to 17 February, 6 to 10 March, 24 to 28 July and 21 to 25 August 2017 are entitled to conference services.

[g] For plenary meetings only.

[h] In accordance with paragraph (h) of decision 19/32 of the Governing Council of UNEP, the Committee of Permanent Representatives shall consist of the representatives of all States Members of the United Nations and members of the specialized agencies, and the European Union, accredited to UNEP, whether based in Nairobi or elsewhere.

[i] The United Nations Office at Nairobi prepares meeting reports (note-taking, compiling and editing) on behalf of the substantive secretariats of the meetings it services. These reports are substantive in nature and differ from other forms of meeting records prepared by the Secretariat.

[j] In accordance with resolution 19/1 of the Governing Council of UN-Habitat, the Committee of Permanent Representatives shall be open to all Permanent Representatives of States Members of the United Nations and members of the specialized agencies that are accredited to UN-Habitat.

[k] Pursuant to paragraph 6 of General Assembly resolution 69/250, United Nations bodies at Headquarters and other duty stations where the Day of Vesak is observed are invited to avoid holding meetings on the Day of Vesak, which in 2017 is expected to fall on 11 May.

[l] The Conference is entitled to four plenary meetings with confirmed services. Additional requests for conference services beyond its mandated entitlement will be provided on an "as available" basis.

[m] The Group of Experts meets every other year. In years when a United Nations conference on the standardization of geographical names is held, it meets on dates immediately preceding the opening date of the conference and immediately following the closing date of the conference.

[n] In accordance with the relevant oral statement of programme budget implications issued when the Committee of Experts on Global Geospatial Information Management was established in 2011, the Committee can hold its annual session in New York only during the "low activity" periods, i.e. either in early January or in August. If an annual session is held outside the "low activity" periods in New York, interpretation services can be provided only on an "as available" basis.
